EDUCATION

Intermediate
Bhasyam Junior College

06/2016 - 05/2018

Courses
- 11th to 12th

Engineering
P.B.R Vits

06/2018 - Present

Courses
- Computer Science and Engineering

PERSONAL PROJECTS

PERSONAL WEBSITE (12/2021 - Present) ↗
- This is my **first** personal website.

ALL UTILITY BOT (05/2021 - Present) ↗
- This project is aimed to provide an **ultimate bot** ever made for general use. Users will be able to do **many things** at one place without having to maintain different bots for different tasks.

PASSWORD GENERATOR (01/2021 - 04/2021) ↗
- This bot will help you generate some **random**, **strong passwords** and **passphrases** of your requested length.

CHAPTER EMBEDDING (01/2021 - 01/2021) ↗
- This mini project was a result of my **own curiosity**. I wanted the YouTube timestamps features available for offline videos also but when you download videos from YouTube they won't come pre-embedded.

WORK EXPERIENCE

video creator / editor / volunteer
Sevakalp foundation

07/2020 - 07/2020

A group of focused people, involved in socials works, motivated to help, enlighten the local people of Jabalpur, Madhya Pradesh.

Achievements/Tasks
- Worked for a month as a video creator and editor.
- Made 4+ videos regarding many events.
- Best on their YouTube channel.

SKILLS

Python   Automation   Scripting   Web Scrapping

Telegram   Web Development   Database   Flask

Django   C/C++   Java

ACHIEVEMENTS

5+ projects (01/2021 - Present)
Created 5 utilities (all utility bot, password generator bot, libgenparser python package, chapter embedding utility, my personal website)

2 thousand+ users for ALL UTILITY BOT in a month
*Getting users in telegram **without prior influence** is hard, in such a scenario, i got more than **2 thousand users in a month** and growing around 50 to 500 everyday.*

CERTIFICATES

IBM AI Engineering (02/2021 - 03/2021) ↗
IBM AI Engineering by IBM on Coursera. Certificate earned on March 12, 2020.

Python For Everybody (12/2020 - 12/2020) ↗
Python for Everybody by University of Michigan on Coursera. Certificate earned on December 27, 2019.
